⇒ Flat Rock Community Schools

• Flat Rock, Michigan

Tablet Coordinator, in conjunction with current teaching position

October 2012 – present

- Manage iPad devices using JAMF Casper Suites and Apple Configurator; Android devices using Meraki.
- Utilize strong communication and project management skills to lead a team of individuals to develop a new system for managing iOS devices used by all colleagues to engage students.
- Coordinate district professional development for all tablet devices and improve teachers' knowledge and experience in classroom use.
- Author and implement Flat Rock 2.0 iPad summer training program to allow teachers the summer to learn about apps and educational uses of the iPad that will benefit students and teachers, district and community.

⇒ Flat Rock Community Schools

• Flat Rock, Michigan

Teacher: Web Design, App Design, Elementary Technology, Spanish (K-12)

August 2009 – present

- Exhibit aptitude as an educator by creating and leading lesson plans that utilize a variety of teaching methods, mediums and differentiated instruction to foster more effective learning to groups of more than twenty students focused on the subject of Information Technology, Web Design, App Design and Spanish.
- Demonstrate mastery of disciplines and knowledge of effective teaching methods by developing and updating the school-wide Information Technology curriculum for third through twelfth grade students.
- Generate and administer assessments to evaluate student proficiency of learned disciplines.
- Express passion for learning new technologies and motivation to grow as a professional by volunteering to learn the Promethean Interactive Whiteboard software and hardware and serve as a district-wide administrator of trainings.
- Facilitate a respectful and interactive learning environment during Professional Development given to educators as the district Moodle administrator and Promethean trainer.
- Foster a positive and cooperative workplace environment as the leader of the Sunshine Committee through which the group plans social events, honors birthdays, and other activities targeted at boosting staff morale.
